

## INTELLIGENTMONEY

### IM INDEX 100

FACTSHEET - FEBRUARY 2024

#### INVESTMENT OBJECTIVE

This portfolio aims to provide long term investment returns by tracking global stock markets. It seeks outright growth by taking a strong US bias, with very limited UK exposure.

This portfolio is provided and managed by P1 Investment Management under the Intelligent Money brand

#### HISTORIC PERFORMANCE

Portfolio	Cumulative Performance				Annualised
	1 yr	3 yr	5 yr	10 yr	10 yr
IM Index 100	19.33%	37.68%	76.90%	-	-

All figures to 29th February 2024 and inclusive of charges. Please note that these returns include all third party fees and Intelligent Money's fee. The value of investments, and the income from them, can go down as well as up and past performance is no guarantee of future returns. You may not recover what you invest. Where live performance data is not available for certain time periods we have used data provided to us by P1 Investment Management to demonstrate what the historic performance of the underlying assets held within each portfolio would have delivered. All underlying assets are denominated in GBP.

#### INVESTMENT PROCESS

##### JULIAN PENNISTON-HILL

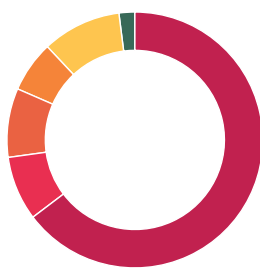

Julian is responsible for setting the strategy and allocation mandates for the portfolios and sits on the investment committee. He has over 25 years of financial services experience having previously been Investment Management Director at Willis Owen, where he was responsible for generating and retaining £1bn of funds

##### WILL DICKSON

Will is responsible for implementing the above, running all investment management on behalf of investment manager P1 Investment Management. Will achieved an Accounting and Finance BSc from the University of Bath, an MSc in Finance and Investment from the University of Exeter and holds Chartered Wealth Manager status from the Chartered Institute of Securities and Investments.
